

Are you wondering how would it be like to going through the career of a phycologist?

Join Career Forum to find it out!

The event offers not only to students but also to young scientists a great opportunity to discover how to develop careers in the algae world. Listen to experts telling their experiences, ask questions, and connect to algae people in a friendly atmosphere.

Talks from the senior specialist will be streamed on-demand during the conference period. Interaction session will be held on live.

Career Forum
